

City of Todd Mission

Land Clearing Fire Permit

City Ordinance 2020-07 is an authorized exception to the general prohibition against outdoor burning. Trees, brush, grass, leaves, branch trimmings, or other plant growth may be burned on the property on which the material grew.

1. The initiation of burning shall commence no earlier than one hour after sunrise. Burning shall be completed on the same day not later than one hour before sunset, and shall be attended by a responsible party at all times during the active burn phase when the fire is progressing. In cases where residual fires and/or smoldering objects continue to emit smoke after this time, such areas shall be extinguished if the smoke from these areas has the potential to create a nuisance or traffic hazard condition. In no case shall the extent of the burn area be allowed to increase after this time.
2. Burning shall not be commenced when surface wind speed is predicted to be less than six miles per hour (mph) (five knots) or greater than 23 mph (20 knots) during the burn period.
3. Burning shall not be conducted during periods of actual or predicted persistent low level atmospheric temperature inversions.

Property Address: _____

Property Owner: _____

Fire Attended by: _____

Signature: _____

Failure to comply with the rules above will result in a citation and fine up to \$2,000.
